"Bombshell" means something like, "a sexy girl."

Shiromuchi

but there's nothing
unusual about that.

I'd long thought that
plump girls were nice

Face
each
other!

Hey,
Attsu.

Would ya
cut it out
already?

Ryou-chan is really cute. I totally love her appearance.

There are some problems with her personality, but

I guess I might be kinda hungry after all.

Today we went
with karaage
skewers.

You're
so cute,
Ryou-chan.

I love Ryou-chan
so much, there's
something I need
to keep hidden so
that she won't
hate me.

Because

ER...
IS THAT NOT
ALLOWED?

Why...?
I mean,
because
you're
cute.

KARAAGE
SKEWER DUAL
WIELDING

Why do you
only call me
cute when
I'm eating?

I really hate
that about
you, Attsul

Even without
losing weight,
you're cute
Ryou-chan.

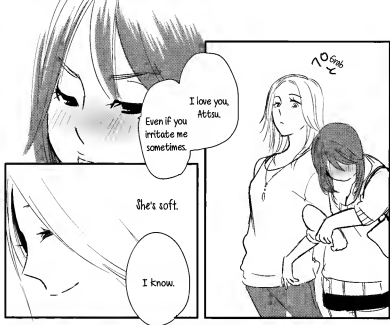

Don't
worry
about
calories or
whatever
and eat up.

I like
it when
you eat.

Could you maybe put on... A mawashi?

I've... always dreamt of doing

HAA HAA HAA
HAA HAA HAA
HAA HAA HAA
HAA HAA HAA
HAA HAA HAA
A HA A HA A HA

I've...
always
dreamt
of doing
female
sumo play.

About "Shinomuchi"

Skinny top x chubby bottom!

It's not "beautiful top x chubby bottom"!

With that in mind, I intentionally drew the top with a weak face.

Ah, I do of course like beautiful top x chubby bottom too.

The highlight is the scene I drew Ryou-chan about to cry, when her eyelids get all swollen.

Translation notes

Marto: "Face each other" The gyōji (referee) says this to the rikishi (sumo wrestlers) before the match.

Nakatta: "You're still in!" The gyōji yells this during the match to encourage rikishi to keep wrestling.

Mawashi: A belt worn in martial arts, though for sumo it's also functions as a loincloth.

Teppō: A wooden pole that rikishi strike for graphics.

Banka (aka Junjū-in on Arthur's Fan): Place right under the land.

"Shiromuchi" means something like "Pale and Chubby."
